# VAQUERO BENEFIT

Dear Friend of the Museum,

Join us in supporting our 41st annual Vaquero Benefit Dinner & Auction, our most important fundraiser of the year. When you sponsor this event you are not only supporting a 501c3 nonprofit, you are supporting the Santa Ynez Valley Historical Museum's efforts in preserving the spirit of the West.

As a community partner, you understand the importance of preserving our valuable artifacts, artwork, stagecoach collection and the Western lifestyle and cultural center we all value. The Vaquero Benefit Dinner is an opportunity for our members, patrons and the public to participate in, celebrate and support the traditional and historic Western lifestyle. This year we are excited to announce that renowned artist Joe Milazzo art will be featured in the live auction.

**When you support the 41st annual Vaquero Dinner & Auction you are supporting:**

## U OUR MISSION

To preserve, interpret and celebrate the history of human experience in California's Santa Ynez Valley and Central Coast by informing, educating, inspiring and engaging Museum guests of all ages and backgrounds.

## U OUR VISION

To interpret past events and illuminate the diverse communities of CA's Central Coast. To serve as a center for research, education, and lifelong learning by delivering quality programs that encourage knowledge, understanding, discussion, and appreciation of our varied cultures. By honoring the record of life on the Central Coast, we preserve these legacies for our children.

## U WESTERN LIFESTYLE PRESERVATION & THE CAMARADERIE of the VAQUERO NETWORK IN THE VALLEY:

Education and hosting traditional Vaquero events lead to the preservation and appreciation of the local Western way of life. Supporting horsemanship and all things cowboy is helping to preserve artists, horse breeders, historians, ranch owners and the community who respect the western lifestyle.

All proceeds raised will benefit SYVHM's youth education programs and the restoration of the museum as an extraordinary cultural center that is helping to preserve the spirit of the west. Your support is vital in sustaining our rich Western program offerings and heritage.

To take full advantage of all your benefits please confirm your level of support to Mary Maranville at [development@SantaYnezMuseum.org](mailto:development@SantaYnezMuseum.org) by September 1st to include your company in our marketing event materials.

Thank you for your consideration. Together, we can sustain the museum and all its offerings.

Kind regards,

Krissy Castillo  
Executive Director

Tina Hansen McEnroe  
Board President
